## **Autumn 2023 - HAMS**

***Here's a great gift idea for your family members, friends or employees at this festive season, a family size Old - Fashioned Virginia Ham! Each ham comes in a decorative Christmas packaged with a Mrs. McGarrigle's specialty mustard for the same price as last year, \$40! With all the "price increases" we have suffered over this last year, this a great value. What else can you get at the same price as last year?***

How do you plan to extend greetings and show your appreciation to business colleagues, clients, employees, family members and friends this holiday season? Our hams are ideal for the following reasons:

**EASY AND CONVENIENT** - Purchase your hams online by clicking this link [2023 Rotary Brockville Hams](#), download a copy of the Hams [order form](#) then complete it and email it back to us at [hams@rotarybrockville.ca](mailto:hams@rotarybrockville.ca). If you do not have access to a computer, please call us at the phone numbers below.

Hams will be available in early December. We will contact you by email or phone for pickup or delivery options. Why not purchase them as employee gifts or provide a few and hold a draw for them at your holiday party!

**SUPPORT LOCAL FOOD BANKS** - If you don't want the ham for yourself, you can still make a **\$40** donation to the Rotary Clubs of Brockville, and we will deliver a ham to either the **Brockville and Area Food Bank** or **South Grenville Food Bank**, your choice, for the Christmas season.

**YOU SUPPORT A VERY WORTHY CAUSE** - All proceeds will help the efforts of the Rotary Clubs of Brockville. This includes Brockville, Prescott, and area, as well as our many international service projects around the world.

Remember, you can place your order on-line at [2023 Rotary Brockville Hams](#). Order forms can also be emailed to: [hams@rotarybrockville.ca](mailto:hams@rotarybrockville.ca).

**Deadline to order is Wednesday, December 1, 2023.**

***BUT ... Don't wait for the deadline – order now !!!***

Thank you for your support!

Sincerely,

John Maskell, Co-Chair,  
Rotary Ham Committee
