

Reynolds Park

This new community park will provide citizens with an attractive waterfront destination, create additional public green space for people to enjoy, and extend connectivity to the Brock Trail and other local attractions that define our picturesque community.

Join your friends, neighbours and local businesses and create messages and memories that will be enjoyed for years and will be viewed by people from all over the world!

Online Registration

You can visit our rotarybrockville.ca website and complete an online brick registration form.

Thank you for your generosity!

A charitable tax receipt will be issued for the eligible portion of your purchase.
