

ROTARY BROCKVILLE

Rotary Christmas Hams available this year!

October 31, 2017

The Rotary Clubs of Brockville and the 1000 Islands are pleased to announce that they will continue the Christmas Hams fundraiser this holiday season. This fundraiser was undertaken by the Rotary Club of Prescott in past years. Former members of the Rotary Club of Prescott, who have joined the Rotary Brockville, would like to thank all of the local businesses and individuals who participated in this fundraising campaign in prior years. Rotary Brockville extends a warm welcome to new participants this year.

How do you plan to extend greetings and show your appreciation to business colleagues, clients, employees and friends this holiday season? Those who purchased our hams last year found them to be ideal for the following reasons:

GOOD VALUE – each family size Old - Fashioned Virginia Ham comes in a decorative Christmas package with a Mrs. McGarrigle's specialty mustard for a reasonable price of \$30.00.

EASY AND CONVENIENT – purchase your hams from a Rotarian, complete an order form and fax it to us, or phone in your order to one of the numbers below. We will deliver the hams to you in mid-December (distribute them as employee gifts or purchase a few and hold a draw for them at your Christmas party!).

SUPPORT LOCAL FOOD BANKS - If you do not wish to purchase a ham, you can still make a \$30 donation to the Brockville Rotary Clubs and we will deliver a ham to the **Brockville Food Bank** or **South Grenville Food Bank** for the Christmas season.

YOU SUPPORT A VERY WORTHY CAUSE – all proceeds will help the efforts of the Brockville Rotary Clubs including our community support and involvement locally in Brockville and Prescott and our many international service projects around the world.

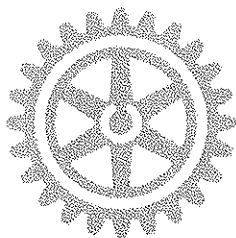

Please keep us in mind when planning your holiday gifts this year. If you require any further information or wish to place an order, please call Lori at (613) 342-1555 or Jenn at (613) 925-5984 or fax us your order at (613) 342-2845.

Thank you for your support.

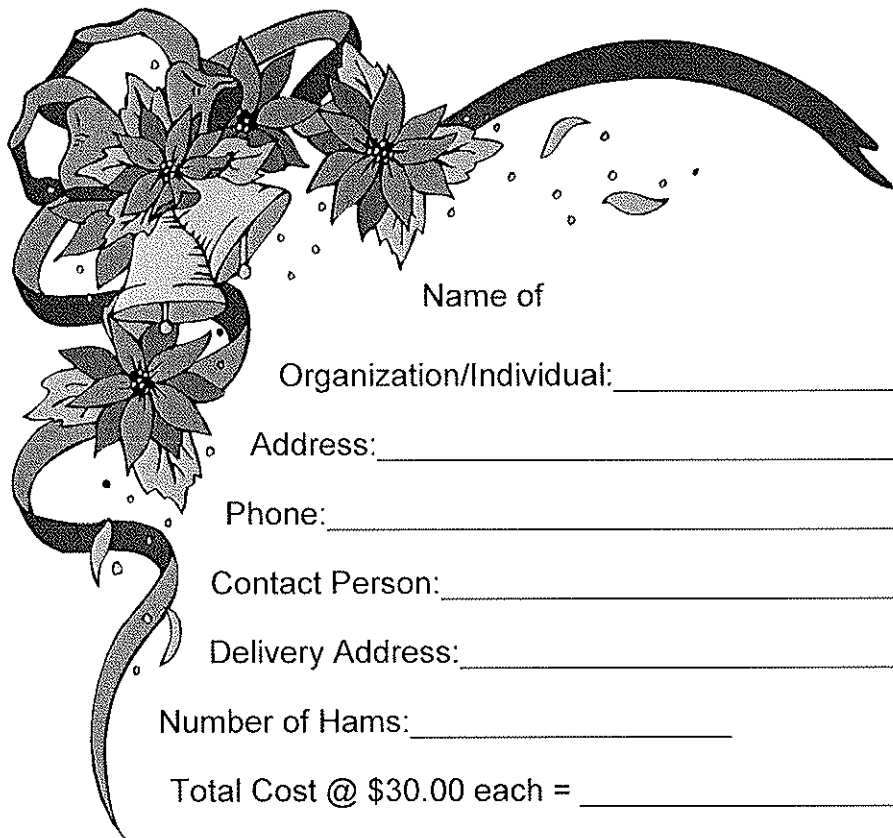

Sincerely,

Ken Durand Senior, Chair,
Rotary Ham Committee
